Dear Parent,

Scottish Rugby is now using a new player registration system called SCRUMS, having switched from the previous system at the end of the 2017/18 season. SCRUMS has been developed to provide a modern, integrated set-up to record member information for those involved with rugby in Scotland, including youth players (under the age of 18).

We now require a parent (or guardian) of any youth player aged 8 or above, to follow the steps below to confirm their child's registration with Scottish Rugby. This is so that a parent or guardian can accept the SCRUMS Terms of Use and Privacy Policy on behalf of their child. Thereafter, Scottish Rugby may also wish to communicate with parents on important issues relevant to their child's participation in the game, for example safety initiatives.

Step 1   Navigate to the SCRUMS registration page at the link below;
https://scrums.scottishrugby.org/u18/terms-and-conditions

Step 2   Scroll down and click on 'Terms of Use and Privacy Policy'.

Step 3   Read and Accept the Terms of Use and Privacy Policy, then click on 'Continue to Search'.

Step 4   Please enter the details of your child, and select the club or school they are currently, or will be, registered with. Then select 'Search'.

Step 5   If the details you have provided matches with an existing record, please skip to step 7. If your child's details do not match a record from the old system you will see a message saying 'Sorry, no results found'. Please select 'Here' to create a new account.

Step 6   You can now input your child's details and select 'Register.' You will receive an email from SCRUMS with a verification link. Once clicked, you have completed the process. Your child's club or school can now approve their registration.
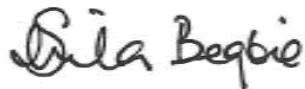

Step 7 If the club or school you selected matches with the record in the system, you will be asked to confirm that you are the parent or guardian of the child.

Step 8 Please check your child's details, any changes to the Name or DOB can only be completed by the club or school. Enter a parental email address then select 'Confirm'. You will receive an email from SCRUMS with a verification link. Once clicked, you have completed the process.

Many thanks for your assistance with this, if you have any questions please contact the SCRUMS team at scrums@sru.org.uk.

Yours faithfully,

Sheila Begbie MBE
Director of Domestic Rugby
Scottish Rugby Union
